

CITY SINKS REPEATED \$100,000 IN FREIGHT RAILS

U. S. Officers Arrest Alleged Truckman Gang Leader.

SAY UPTOWN STABLE WAS SECRET "CAVE"

Band Got \$70,000 in Year, Detectives Declare, by Looting Bonded Shipments.

Meyer F. Ettman, who, the Federal authorities say, has been the head of a conspiracy which has robbed bonded truckmen of \$100,000 worth of goods, was held in \$5,000 bail yesterday by United States Commissioner Houghton to await examination on September 1. He was arraigned on a technical charge of smuggling, and the warrant for his arrest was issued May 23. Since that time he has been out of the city.

The Federal authorities assert that Ettman is known as a "junkman fence." They contend he is the head of the conspiracy which has defrauded the government of duty on \$100,000 worth of imported merchandise.

The scheme worked by Ettman, according to Assistant United States Attorney John E. Walker, was to take goods while in transit to other cities where they were dutiable.

In the last year, the authorities say, the gang has stolen \$70,000 worth of goods. Ettman had a garage in Fifth Street, and also maintained junk shops in Hoboken. It is alleged that under cover of his business he formed the acquaintance of truckmen handling bonded merchandise.

Drivers acting with him, it is charged, would obtain a truckload of goods from a pier and arrive with it at a railroad freight station late in the day—too late to have the goods accepted. Then the men would take their trucks to the stable yards. Under cover of darkness Ettman and his accomplices would open the cases, take goods and nail up the cases again. They would be delivered to the railroad the next morning, apparently untouched. But when they reached the consignees, the goods would be missing, and as the duty was collectible on delivery the government lost.

Morris Silverman, a commission broker, and Jacob Blair, a cutler

dealer, were arrested some time ago. They are alleged to have disposed of Ettman's loot.

ASKS \$1,800,000 FOR TRADE DAMAGE
Mexican Mining Company Alleges Monopoly in Zinc.
(By Telegraph to The Tribune.)
El Paso, Tex., Aug. 24. Claiming damages of \$1,800,000 for alleged combination in restraint of trade, by which the price of zinc is arbitrarily fixed in the United States, the San Roberto Mining Company, of Zacatecas, Mexico, filed suit in the United States District Court here today against H. A. Houser, the American Metal Company, Ltd., the Compania Mexicana de Metales, and the Compania de Metales y Minerales y Metales.

A similar suit was filed in the Sixth District Court against H. A. Houser, as treasurer of the American Metal Company, for \$1,900,000 damages by the Compania Minera.

The companies involved are big producers in Mexico. The San Roberto Company charges it is impossible for it to sell its zinc ore in open market because of the alleged combination maintained by Houser and the companies affiliated with him.
